

Barlaston Community First Responder Scheme 100 Club

To help raise funds to run the Barlaston Community First Responder Scheme we are proposing to set up a 100 club. Every month each participant has the one in 100 chance of winning real money. Much better odds than the lottery!

For £12 (equivalent of £1 per month), paid on application, you are allocated a number from 1 to 100. Draws will take place in January, February, March, April, May, June, July, August, September, October and November with one prize, each month of £25 with a December Christmas Special prize of £150.

With less than 100 participants prizes will be scaled down and with more than 100 participants prizes will be scaled up. Winners will be notified immediately and winning names and numbers for each draw will appear on the Barlaston Community First Responder Website.

Remember you can only win if you are in, so please complete and return the form below and send it to Lynne Hembrough. Please ensure that you enclose a cheque made payable to "Barlaston Community First Responders" (for £12 per number),
