Good neighbours helping each other!

Barlaston Good Neighbour Scheme Launch

Do you feel lonely, would you like some company or perhaps you would like some assistance with shopping? Do you need help getting to an appointment or with odd jobs in the house or garden?

Barlaston Good Neighbour Scheme is a brand new service run by local volunteers to offer you help. Should you need it? Free to participate in, only reasonable costs to cover car mileage or any materials purchased will be charged.

All volunteers go through a recruitment process, with all necessary checks and full training.

Come along to the launch at the Village Hall on Saturday the 10th May and join us for tea, coffee and cakes, learn more about us, how to access the services offered or how to offer your help as a volunteer.
