Dear Councilor

Conclusion of Internal Audit of your Parish Council For the year ended 31st March 2020

Following the completion of my work for the above year we are writing to inform the Council that having carried out the year-end review I have been able to sign the Annual Governance and Accountability Return Part 3 ("AGAR") without any qualification.

The independent internal examination of the Councils governance, financial affairs and certification of the 2019-20 AGAR to the External Auditor was carried out in accordance with the standards laid out in the Accounts and Audit Regulations, 2015 (as amended by the Accounts and Audit (Coronavirus) (Amendment) Regulations 2020) and embodied in the Joint Panel on Accountability and Governance Practitioners Guide 2020.

In summary, we covered the following areas in our examination:

- Proper Bookkeeping
- Financial Regulations, Standing Orders and Payment Controls
- Risk Management and Insurance arrangements
- Budgetary Controls
- Income Controls
- Payroll Controls
- Asset Control
- Bank Accounts and Reconciliation
- Year End Procedures.
- Charitable Trust Funds governance.

Registered Office as above
Registered in England No 3219234

This year we have carried out a review of your web site to evaluate its conformance to the Local Government Transparency Code 2015 which is to be viewed as a minimum standard.

We carried out one review during the fiscal year and were accorded with full co-operation by your Clerk. Any issues which we raised with the Clerk during the conduct of our work have either been satisfactorily rectified or are noted below.

At the end of the previous year we noted that there was an open issue regarding your Clerk pension arrangements. We are pleased to note that this matter was resolved satisfactorily.

A copy of our Annual Internal Audit certification (page 3 of the AGAR) for 2019-20 is attached.

We would wish to draw your attention to the "Publication Requirements" on page 1 of the AGAR

We would also wish to draw your council's attention to the following matters:

1. We note that your general reserves cover (after the exclusion of properly voted earmarked funds of £53,000) is 0.53 years. We consider this to be a comfortable level of general reserves balance at the year end.

In respect of the new Council year we make the following additional observations and recommendations for your consideration:

1. We recommend that during the fiscal year your council should review the Risk Assessment to ensure that it still reflects the current environment. Your council should then minute its ratification;
2. During the fiscal year your council should review your Standing Orders and Financial Regulations to ensure that they still reflect the current environment. Your council should then minute that ratification;
3. Copies of both your current Standing Orders, Finance Regulations and Risk Assessment should be displayed on your council's web site and must show the latest date of revision and ratification;
4. You are reminded that when the council discusses, amends or ratifies significant documents copies should be made available on your web site for members of the public to view. These documents should be either appendices to published minutes and agenda papers or as separate documents on the web site (preferably with a hypertext link to facilitate ease of searching):

5. You must discuss the appointment of your internal auditor and ratify and minute the appointment during the current financial year. We were pleased to have been your internal auditor during 2019/20 and offer ourselves for re-appointment.

It is your Council's responsibility to note these comments and to consider what action should be taken.

Can we take this opportunity to remind you that when the AGAR comes back from the External Auditor you do have a duty to display the accompanying notice of Completion of Audit on each of your usual notice boards and on your council's website.

The complete AGAR and any auditor's comments or qualifications should also be displayed on your web site to allow electors to see the complete card and read the External Auditors comments if they wish to do so.

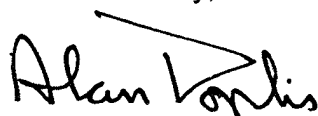

In accordance with Regulation 13 (of the Audit and Accounts Regulations), after the conclusion of the period for the exercise of public rights, but no later than 30 September (or as revised for COVID-19 extensions), the authority must publish (including on its website) the annual governance statements, statement of accounts, and the external auditor's certificate and report – Sections 1, 2 and 3 of the Annual Governance and Accountability Return. Authorities must keep copies of these documents for purchase by a person at a reasonable sum and ensure that they remain available for public access for 5 years

Please do remember to retain a copy of the notice on file as proof that you have followed the requirements of the Local Government Act. You should also minute the External Auditors approval of the AGAR and any qualification or comments made and take action where necessary.

You may find the advice given by the Chairman of the Smaller Authorities Audit Appointments body neatly summarises the changed dates agreed with the MHCLG. I have enclosed a copy for the information of you and the Clerk.

We will make our next visit in October/November but please do not hesitate to contact me should you require advice in the meantime.

Yours sincerely,

Chairman's Communications No 4 2020

Following representations made to the Ministry of Housing, Communities and Local Government (MHCLG) by SAAA and the sector organisations in respect of the statutory accounts and audit approval and publication deadlines for 2019-20 and the ability of authorities to hold meetings in the current coronavirus environment, the government has now made amendments to the existing audit legislation which extends the statutory deadlines for the approval and publication of the accounts and Annual Governance and Accountability Return (AGAR).

Separate legislative amendments have also been made to permit authority meetings to be held remotely via the use of technology.

The legislation and the provisions are set out below, and this information will be circulated by the appointed external auditors as an addendum to the AGAR forms and instructions.

The Accounts and Audit (Coronavirus) (Amendment) Regulations 2020

Owing to the increasing impact of COVID19 MHCLG has made amended Regulations which **extend the statutory audit deadlines for 2019-20** only for all Category 2 smaller authorities (town and parish councils, parish meetings, internal drainage boards and other authorities).

- The requirement for the public inspection period to include the first 10 working days of July **has been removed**
- Instead, smaller authorities must commence the public inspection period **on or before 1 September 2020**. Authorities are urged to commence this period as soon as possible
- The AGAR must be approved and published by **31 August 2020 at the latest** or may be approved earlier, wherever possible.

This means that the period for the exercise of public rights **can now be held at any time after the approval of the accounts and AGAR as long as it is commenced on 1 September at the latest**.

Authorities should publish the dates of their public inspection period. If this is significantly earlier or later than in previous years, they should inform the public through their websites (where available) of the reasons why they are departing from normal practice for 2020.

- The publication date for final, audited, accounts will move from **30 September to 30 November 2020** for all local authorities.

This is the date by which the Part 3 AGAR Sections 1, 2 and 3 including the completed External Auditor Report and Certificate must be published.

This does not apply to an authority that has certified itself as exempt and submitted a Certificate of Exemption to the external auditor. These authorities must publish their Certificate of Exemption by **31 August 2020**.

The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020

In relation to the meetings needed to approve the accounts and AGAR, MHCLG has made separate Regulations to enable meetings to be held remotely, and to hold and alter the frequency and occurrence of meetings without the need for further notice.

The provisions for remote meetings apply to all authorities **EXCEPT Parish Meetings** who must hold a public meeting and approve the AGAR before 31 August, although clearly Parish Meetings are not able to hold a public meeting at the current time.

Internal Drainage Boards are also not included in the remote meetings legislation, however separate changes to standing orders to allow remote meetings, have been agreed with Defra by the Association of Drainage Authorities.

Given these unprecedented times, authorities are urged to hold remote meetings where possible, to commence the public inspection period at the earliest opportunity and to submit the appropriate part of the AGAR (Part 1, Part 2 or Part 3) to their appointed external auditor as soon as possible.
